CHIROPRACTIC HEROS

By Seymore Bortus · staff writer . . . Reprinted from CHIROPRACTIC WORLD REVIEW

San Diego, California

"It was an all star celebration, first at the sold out stadium for opening night, then at the beach the following afternoon. SK Cubagem, publisher of Chirocom "The Chiropractic Market Place" and many of his close friends celebrated Chirocom's 100th issue, sure to become a magazine collectors treasure. S.K. thanked everyone for all the positive comments that he has received since the introduction of Chirocom. " I've been very gratified by your spontaneous comments: * "Great idea" * "We needed something like this" * "Brilliant" * "I should have thought of this" * "Thank you". The only suggestion for change has been to put

the classifieds into categories. As S.K. has explained to those who have called, I would like you to look through all of Chirocom. You never know what you'll find. Take a look at ALL of the companies and businesses advertisements. They are paying for the exposure, and I would appreciate you giving their products and services your consideration. As you can see, they are top quality, first rate companies and individuals. They deserve your attention. Because of their support, I can afford to let you place your personal classifieds for only \$40 for two issues. Of course, I expect you to buy the best products or services at the best price and according to your needs. I only ask you to take a good look at our adver-

tisers. Check their reputation, check their quality, check their service, check their price. Even call them for more information. Then make your choice. Please tell them you saw their ad in Chirocom - They'll appreciate it - And so will I." Chirocom's celebratory event ended with S.K. graciously smiling and waving to all his friends, thanking them for their continued support of Chirocom and quoting B.J. Palmer "EARLY TO BED, EARLY TO RISE, WORK LIKE HELL AND ADVERTISE." From all of us at the Chiropractic World Review congratulations to Chirocom on a job well done . . . 100 issues and going strong! You truly are the "Chiropractic market place". end"

San Diego, California

After throwing out the 1st pitch, SK Cubagem is congratulated on the pitchers mound by two close friends, and by a sold out stadium crowd, there to celebrate Chirocom's 100th issue.

This reporter was lucky to interview all the stars. I quote;

Elvis "I am leaving the stadium."

Famous Chicken "SK is one of my fowlest friends."

SK "I'm paying tribute to DD and BJ Palmer for without them we would not have our wisdom or our vision."
