Chiropractic Advertiser:

Frustrated by your inability to target the lucrative California Market with your product or service in one Publication?
 As you are aware, all of the current Chiropractic Publications are political, scientific, dry or boring. They are read by only a small segment of Chiropractors (ICA Members, ACA Members, straights, mixers, none-of-the-above). Their rates are very high! They don't give you the frequency you desire! And you have to submit your copy and payment 30 - 60 days in advance.

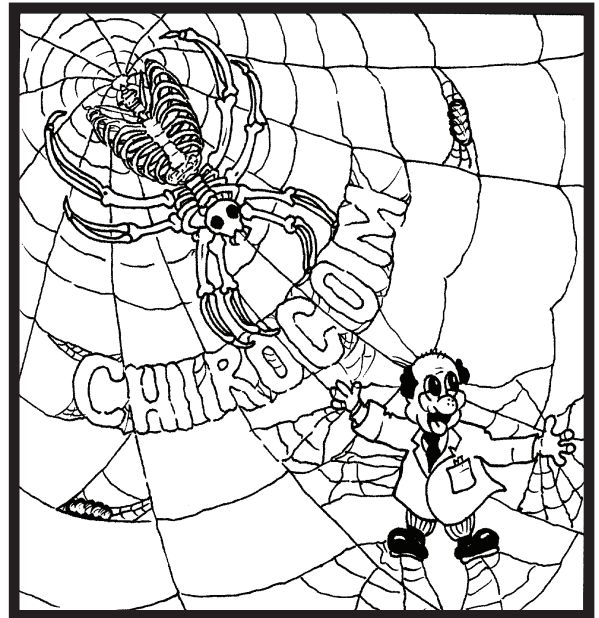

Now in our 13th year of serving the Chiropractic Profession
